Cost of a Villa.

When the Smiths' suburban villa was completed and they counted costs, it appeared that the painter's bill was \$82 in excess of the paperhanger's charges, the plumber charged \$30 more than the painter; the mason received \$100 more than the plumber and the carpenter, who charged \$24 more than the mason, rendered a bill three times as large as that of the paperhanger. The lot cost half as much as the house, so who can tell how much the Smiths' new home cost?

A Doctor's Remedy for Coughs.

As a cure for coughs and colds Dr. Bell's Pine-Tar-Honey combines these remedies in just the right proportion to do the most good for summer coughs or colds. A trial will prove the value of this splendid cough medicine. Dr. Bell's Pine-Tar-Honey soothes the irritation, stops your cough, kills the cold germs and does you a world of good. A 25c bottle will more than convince you—it will stop your cough. At druggists.

What Not to Expect in Husband.

In the Woman's Home Companion a writer says: "Don't expect all the virtues in one man. If he is good-natured he may be lazy; if he is scholarly, he may be cold; if he is thrifty he may be stingy; if he is generous he may be wasteful; if he is smooth he may be deceitful. The man who charms you with his immaculate appearance is likely to be something of an old maid; the man who is careful to pick threads off your skirt is prone to pick flaws in you; the man who takes an undue interest in the selection of your hats may take an undue interest in the bill which comes home; the man who, before marriage, jumps to open the door, fast your fingers, is contaminated by the knob, may after marriage, allow these same fingers to be contaminated by the washboard."

Constipation and Indigestion.

"I have used Chamberlain's Tablets and must say they are the best I have ever used for constipation and indigestion. My wife also used them for indigestion and they did her good." writes Eugene S. Knight, Wilmington, N. C. Chamberlain's Tablets are mild and gentle in their action. Give them a trial. You are certain to be pleased with the agreeable laxative effect which they produce. Obtainable everywhere.
